## **Rep. Hutton's Statement on The State of the State**

Madison – Representative Rob Hutton (R-Brookfield) issued the following statement in response to Governor Scott Walker's State of the State Address.

"I am encouraged by the direction of our state," said Representative Hutton. "We are continuing to see the results of the conservative reforms we have passed over the last seven years. Unemployment is at its lowest rate in recent memory and we have more people employed than at any point in our state's history."

"I am encouraged that the Governor is continuing to lead in important areas such as tax and welfare reform and I look forward to working with him to ensure that we continue to get positive things done for the people of Wisconsin."
